

# **DREAMTIME DELUXE COMFORT BELT-POSITIONING BOOSTER CAR SEAT INSTRUCTION MANUAL**

This booster seat complies with  
ECE regulations for use by children:

- Group II / III
- Mass: 15 – 36 kg

## **READ THIS MANUAL**

Do not install or use this booster seat until you read  
and understand the instructions in this manual and in  
your vehicle owner's manual.

**FAILURE TO PROPERLY USE THIS BOOSTER SEAT  
INCREASES THE RISK OF SERIOUS INJURY OR DEATH IN  
A SHARP TURN, SUDDEN STOP OR CRASH.**

**IF YOU HAVE ANY PROBLEMS, PLEASE  
DO NOT RETURN THIS PRODUCT TO  
THE PLACE OF PURCHASE. PLEASE  
CONTACT CUSTOMER SERVICE AT  
[CUSTOMERSERVICE@HARMONYJUVENILE.COM](mailto:CUSTOMERSERVICE@HARMONYJUVENILE.COM)**

## REGISTRATION INFORMATION

**REGISTER YOUR BOOSTER SEAT TODAY!** Child restraints could be recalled for safety reasons. You must register this restraint to be reached in a recall, and to be eligible to receive replacement parts while under warranty.

The model number, serial number and manufacturing date can be found on a label on the underside of the booster seat.

Visit [www.harmonyjuvenile.com/uk/register](http://www.harmonyjuvenile.com/uk/register) to register your child restraint online, mail-in the registration card or send your name, address, the restraint's model number, manufacturing date and date of purchase to:

**Harmony Juvenile Products UK  
10 Beach Priory Gdns.  
Southport, UK  
PR8 1RT**

For recall information, any questions you may have, or to make a change of address or contact information, please visit us online at [www.harmonyjuvenile.com](http://www.harmonyjuvenile.com).

**PLEASE DO NOT SEND IN YOUR  
REGISTRATION CARD IF YOU HAVE  
REGISTERED YOUR BOOSTER ONLINE.**

## IF YOU NEED HELP

Please fill in the information below for future reference. The model number and manufacturing date can be found on a label on the underside of the booster seat.

**Model Number:** \_\_\_\_\_

**Manufacture Date:** \_\_\_\_\_

**Date of Purchase:** \_\_\_\_\_

Our Customer Service Department is standing by to help you with any questions or concerns you may have regarding installation, use, care and/or parts. Please have your product's model number and manufacturing date available when contacting us.

## WARNINGS

### GENERAL WARNINGS

## WARNING!

The safety of your child and the effectiveness of this booster seat depend on:

1. **Selecting a suitable location** for the booster seat in your vehicle.
2. **Properly routing the vehicle seat belt.**
3. **Properly securing both your child and the booster seat in the vehicle** using a seat belt designed to restrain both the booster seat and your child. Many seat belts are **NOT** safe to use with this booster seat. Please review the sections "Safe/Unsafe vehicle seat belt systems" carefully. If in doubt about installing this booster seat, consult the vehicle owner's manual or contact the Harmony Customer Service Department.

# WARNING!

**FAILURE TO PROPERLY READ, FOLLOW AND USE THESE INSTRUCTIONS AND THE BOOSTER SEAT LABELS INCREASES THE RISK OF SERIOUS INJURY OR DEATH IN A SHARP TURN, SUDDEN STOP OR CRASH.** Your child's safety depends on the proper installation and use of this booster seat. Even if this booster seat seems easy to install and use, it is **VERY IMPORTANT** to read and understand these instructions and the vehicle owner's manual.

Follow all labels on this booster seat and in these written instructions. **DO NOT INSTALL OR USE THIS BOOSTER SEAT UNTIL YOU READ AND UNDERSTAND THE INSTRUCTIONS IN THIS MANUAL AND IN YOUR VEHICLE OWNER'S MANUAL.**

**NO BOOSTER SEAT CAN GUARANTEE PROTECTION WHEN THE VEHICLE IS SERIOUSLY IMPACTED.** However, when correctly installed, a booster seat will substantially improve the chances for survival and reduce the risk of serious injury in most crashes.

Carefully follow the instructions in this manual and in your vehicle owner's manual. If there is a discrepancy between the two, the vehicle owner's manual must take precedence with regards to seat belts and/or airbags.

**! ADULT ASSEMBLY REQUIRED.**

**! USE THIS BOOSTER SEAT FORWARD-FACING ONLY.**

**! DO NOT USE THIS BOOSTER SEAT** without properly assembling it.

**! DO NOT** allow children to play with this booster seat.

**! NEVER** leave children alone in a vehicle under any circumstance.

**!** It is recommended that children are not left in their child restraint system unattended.

**!** Set a good example by **ALWAYS** wearing your seat

belt. Make it a firm rule that the vehicle does not move until everyone is buckled up. **MAKE NO EXCEPTIONS.**

- ! Harmony Juvenile Products advises against loaning or passing along a booster seat. **DO NOT USE A SECOND-HAND BOOSTER SEAT** or a booster seat whose history you do not know.
- ! When disposing a child restraint system, ensure to dispose of the unit in a way others cannot reuse it (e.g. use a dark trash bag, do not sell to a thrift shop or in a garage sale, etc.).
- ! Store the booster seat in a safe place when not in use. **DO NOT** place heavy objects on top of the booster seat while in storage.
- ! **DO NOT** remove any stickers or warnings as they contain important information.

## USAGE WARNINGS

# WARNING!

! **ALWAYS** ASSIST YOUR CHILD WHEN GETTING INTO AND OUT OF THE BOOSTER SEAT.

! **NEVER** LET YOUR CHILD LEAN ON THE ARMREST WHEN GETTING INTO OR EXITING THE BOOSTER SEAT TO PREVENT THE SEAT FROM TIPPING.

! **ENSURE** THAT THE BOOSTER SEAT IS LEVEL, STABLE AND DOES NOT ROCK SIDE-TO-SIDE. IF THE BOOSTER SEAT IS NOT STABLE, TRY ANOTHER SEATING LOCATION. IN VEHICLES WITH WIDE, FLAT SEATS, A ROLLED TOWEL CAN BE USED ON THE OUTBOARD (DOOR) SIDE TO ADD STABILITY TO THE BOOSTER SEAT. **DO NOT ADD ANYTHING BEHIND OR UNDER THE BOOSTER SEAT.**

Harmony Juvenile Products recommends keeping your child in a forward-facing car seat with a harness until they reach the top height or mass limit allowed by your

car seat's manufacturer. Once your child outgrows the forward-facing car seat with a harness, it's time to travel in a booster seat, but still in the back seat.

According to accident statistics, **CHILDREN ARE SAFER WHEN PROPERLY RESTRAINED IN THE REAR SEATING POSITIONS THAN IN THE FRONT SEATING POSITION. THE SAFEST POSITION BEING THE CENTER IN THE EVENT OF A POSSIBLE SIDE IMPACT COLLISION.**

Please study the section "Vehicle seating positions".

- ! DO NOT** use any load bearing contact points other than those described in the instructions and marked in the child restraint.
- ! DO NOT** allow others to install or use this booster seat unless they read and understand all the instructions and labels.
- ! DO NOT GIVE THIS BOOSTER SEAT** to someone else without also giving them this instruction manual. Additional instruction manuals can be downloaded directly from [www.harmonyjuvenile.com](http://www.harmonyjuvenile.com).
- !** To ensure proper booster seat use, keep and store this instruction manual and refer to it when necessary.
- ! DO NOT LEAVE A BOOSTER SEAT UNSECURED IN YOUR VEHICLE.** In a collision, sharp turn or sudden stop, an unsecured booster seat can injure other occupants. Remove it or make sure that it is securely attached to the vehicle with the vehicle's 3-point lap-and-shoulder belt, even when not in use.

## INJURY WARNINGS

- ! INJURIES MAY OCCUR EVEN IF YOU ARE NOT IN A CRASH** if the booster seat is not properly installed or if your child is not properly secured in the booster seat.
- !** The rigid items and plastic parts of a child restraint shall be so located and installed that they are not liable, during everyday use of the vehicle, to become trapped by a movable seat or in a door of the vehicle.

- ! **DO NOT** leave folding vehicle seats unlatched. In the event of a sharp turn, sudden stop or crash, a loose seat back could prevent the booster seat from protecting the child as well as it should.
- ! The vehicle front seat headrest that the child faces while in the booster seat should be in its lowest position. **ENSURE** that the back of the vehicle seat facing the child is completely padded with no hard or potentially harmful objects.
- ! It is recommended that any luggage or other loose objects liable to cause injuries in the event of a collision shall be properly secured. In the event of a sharp turn, sudden stop or crash, loose objects will keep moving, potentially causing serious injuries.
- ! The child restraint shall not be used without the cover. It **MUST** always be used with the fabric cover provided by the manufacturer.
- ! The seat cover should not be replaced with any other than the one recommended by the manufacturer, because the cover constitutes an integral part of the restraint performance.
- ! **PARTS OF THE BOOSTER SEAT COULD BECOME HOT ENOUGH TO BURN THE CHILD IF LEFT IN THE SUN.** Contact with these parts can injure your child. **ALWAYS** touch the surface of any metal or plastic parts before putting your child in the booster seat. Cover the booster seat with a towel or blanket when the vehicle is parked in direct sunlight. **KEEP AWAY FROM SUNLIGHT, OTHERWISE IT MAY BE TOO HOT FOR THE CHILD'S SKIN.**

## VEHICLE WARNINGS

- ! Use **ONLY** the vehicle's 3-point lap-and-shoulder belt system when restraining a child in this booster seat. **DO NOT** use this booster seat with 2-point vehicle belts (lap-belt only or shoulder-belt only). Your child would be seriously injured in the event of a crash.

**! DO NOT** use this booster seat with unsafe vehicle seat belts listed in section “Unsafe vehicle seat belt systems” of this manual.

**! DO NOT** use this booster seat if it can’t be properly installed. It is possible that your vehicle has no suitable seating position for this booster seat due to seat belt type, airbag system and/or lack of location of a tether strap anchor. Read and follow these instructions, and your vehicle owner’s manual carefully.

## CERTIFICATIONS

This is a “Universal” child restraint. It is approved to the requirements of the European Standard for Child Safety Seat Equipment under Regulation No. 44, 04 series of amendments, for general use in vehicles and it will fit most, but not all, car seats.

A correct fit is likely if the vehicle manufacturer has declared in the vehicle handbook that the vehicle is capable of accepting a “Universal” child restraint for this age group.

This child restraint has been classified as “Universal” under more stringent conditions than those which applied to earlier designs which do not carry this notice.

If in doubt, consult either the child restraint manufacturer or the retailer.

**!** Only suitable for use in the listed vehicles fitted with 3-point with retractor safety-belts, approved to ECE Regulation No. 16 or other equivalent standards.

The child restraint **IS CERTIFIED** for use in the following classes of vehicles **ONLY**: multi-purpose passenger vehicles, passenger cars, and trucks. Harmony Juvenile Products has also validated compliance through independent laboratory testing.

This restraint is **NOT CERTIFIED** for aircraft use.

This booster seat must **NOT** be used in homes, boats, buses, motorcycles, motor homes, or any other vehicles

that have non-forward-facing seats, missing seat belts, or whose seat belts do not meet the requirements of this booster seat.

## AIRBAG WARNINGS

**! NEVER PLACE THIS BOOSTER SEAT IN A VEHICLE SEATING LOCATION THAT HAS AN ACTIVE FRONTAL AIRBAG.** An inflating airbag may cause serious injury or death. Refer to your vehicle owner's manual for information about airbags and child restraint installation.

This booster seat may be used in a rear seating position equipped with side impact airbags providing they are:

- Roof mounted;
- "Curtain" type deployment;
- Will **NOT** interfere with, impact or in any way reposition the booster seat when inflated.

**!** If a vehicle's front seat location must be used, **ALWAYS** disable the airbag. Failure to disable the airbag system can result in serious injury or death. Follow the vehicle owner's manual for instructions on disabling the front airbag system.

Please refer to your vehicle owner's manual for airbag type, and for appropriate use with child restraints.

## DAMAGE WARNINGS

**!** It is recommended that the device should be changed when it has been subject to violent stresses in an accident.

**! DO NOT USE A BOOSTER SEAT THAT HAS BEEN IN AN ACCIDENT OF ANY KIND.** An accident can cause damage to the booster seat that you cannot see.

**! DO NOT** use this booster seat if it is damaged in any way or has missing parts.

**! NEVER** use a cut, frayed or damaged vehicle seat belt.

**! DO NOT** tamper with or modify the booster seat, for any reason. Any unauthorised alterations or additions

to the device without the approval of the Type Approval Authority can cause serious injury or death in a sharp turn, sudden stop, or crash.

- ! **DO NOT** use anything to raise the booster seat off the vehicle seat. Untested modifications, such as adding extra padding, could affect the safety of the booster seat and result in serious injury or death in a crash.
- ! **DO NOT, EXCEPT AS DESCRIBED IN THESE INSTRUCTIONS, MODIFY YOUR BOOSTER SEAT, DISASSEMBLE ANY PART OR CHANGE THE WAY THE VEHICLE SEAT BELTS ARE USED.** This includes any accessories or parts by other manufacturers as non-tested accessories can affect the safety of the booster seat.

## MASS AND HEIGHT LIMITATIONS

Harmony Juvenile Products recommends that you **ALWAYS** confirm country laws with local authorities. Laws vary from country to country regarding minimum/maximum booster seat requirements for age, mass and height.

Harmony Juvenile Products advises that your child remains in a high-back booster for as long as possible per the mass and height requirements of the child restraint.

### **WARNING!**

**DO NOT USE THIS BOOSTER SEAT IF YOUR CHILD DOES NOT MEET ALL THE REQUIREMENTS BELOW.**

To use this booster seat, your child **MUST MEET ALL** of the following requirements:

- **GROUP II / III Forward-facing:**  
between 15 - 36 kg  
(33 - 79 lbs.)
- **Age:** at least four years old.
- Shoulder belt **MUST** lie across the **MIDDLE** of the child's shoulder and chest, and lap portion **MUST** be positioned low across child's hips.
- Child's ears **MUST BE BELOW** the top of the booster seat **2**. If tops of ears are above the top of the booster seat headrest, child is too large for the booster seat.

**! WARNING:** Verify your child's mass and height frequently. **DO NOT** guess.

## PARTS LIST

- A - Headrest
- B - Shoulder belt positioning guides
- C - Backrest
- D - Base
- E - Headrest height adjustment handle
- F - Instruction manual storage

### TO PURCHASE REPLACEMENT PARTS:

In the United Kingdom, please contact us at [customerservice@harmonyjuvenile.com](mailto:customerservice@harmonyjuvenile.com).

**IF YOU HAVE ANY PROBLEMS, PLEASE DO NOT RETURN THIS PRODUCT TO THE PLACE OF PURCHASE. PLEASE CONTACT CUSTOMER SERVICE AT [CUSTOMERSERVICE@HARMONYJUVENILE.COM](mailto:CUSTOMERSERVICE@HARMONYJUVENILE.COM)**

## VEHICLE SEATING POSITIONS

### **WARNING!**

**FAILURE TO PROPERLY SECURE YOUR CHILD AND THE BOOSTER SEAT IN YOUR VEHICLE INCREASES THE RISK OF SERIOUS INJURY OR DEATH IN THE EVENT OF A SHARP TURN, SUDDEN STOP OR CRASH.**

### **WARNING!**

**IMPROPER PLACEMENT OF THE BOOSTER SEAT INCREASES THE RISK OF SERIOUS INJURY OR DEATH.**

Some seating positions in your vehicle may **NOT** be safe for this booster seat. Some vehicles have **NO** seating positions which are compatible with this booster seat due to seating surface, seat belt type and/or airbag system. Read and follow these instructions, and your vehicle owner's manual carefully.

### **WARNING!**

Children aged 13 and under **MUST** ride in the rear seats, away from front airbags. The only exception is if the airbags are turned off. When using a booster seat in a vehicle with active airbags, refer to the vehicle owner's manual for additional installation instructions and precautions. For rear seat installation, adjust the front seat forward enough to ensure the child's feet do not hit the backrest of the front seat.

### **WARNING!**

Only use this booster seat in forward-facing vehicle seats. Side-facing or rear-facing seats in vans, station wagons or trucks **CANNOT** be used.

**THE VEHICLE SEAT MUST FACE FORWARD. DO NOT** use the booster seat with the following vehicle seats:

- Seats which face sides of vehicle.
- Seats which face rear of vehicle.
- Rear seats of small extended cab pickup trucks.

- The front of the booster seat **MUST NOT** hang over the edge of the vehicle seat by more than 5 cm (2 inches).

Refer to the vehicle owner's manual for child restraint installation instructions for your specific vehicle.

**! DO NOT** use this booster seat in a seating position where the vehicle seat belt or seat belt buckle is not easily accessible with the booster seat secured in place.

## SAFE VEHICLE SEAT BELT SYSTEMS

# WARNING!

**SEAT BELTS DIFFER FROM VEHICLE TO VEHICLE AND FROM SEATING LOCATION TO SEATING LOCATION WITHIN THE SAME VEHICLE. NOT ALL VEHICLE SEAT BELTS CAN BE USED WITH THIS BOOSTER SEAT.**

You must determine if your vehicle's seat belts are compatible for use with this booster seat. If you are unsure, consult your vehicle owner's manual or contact Harmony Juvenile Products.

**!** This booster seat is suitable for use in the listed vehicles fitted with 3-point with retractor safety-belts (lap-and-shoulder), approved to ECE Regulation No. 16 or other equivalent standards.

Review your vehicle owner's manual for vehicle seat belt use with child restraints.

## UNSAFE VEHICLE SEAT BELT SYSTEMS

This booster seat can be installed properly using **MOST** vehicle 3-point lap-and-shoulder seat belts. However, some vehicle seat belts are not safe to use as their anchoring points for the lap belt may not allow for a secure installation.

**NEVER** use any unsafe vehicle seat belt systems.

**DO NOT USE ANY OF THE FOLLOWING VEHICLE SEAT BELT SYSTEMS WITH THIS BOOSTER SEAT:**

**! NEVER** use a lap-only belt.

**! NEVER** use a seat belt that does not lock in the event of a sharp turn, sudden stop, or crash.

**! NEVER** use a cut, frayed or damaged vehicle seat belt.

**! NEVER** use motor driven automatic seat belts.

**! NEVER** use a vehicle seat belt system where the lap and shoulder belts have independent retractors.

**! NEVER** use a vehicle seat belt system with top or bottom anchorage points attached to the door in any way.

**! NEVER** use lap belts whose anchor points are forward of the seat crease.

**! NEVER** use a seat belt system whose anchor points allow the booster seat to slide from side to side when buckled in.

## ASSEMBLING/DISASSEMBLING BACKREST

1. Insert 'U-Shape' plastic hooks on bottom of backrest into the corresponding bars on seat base **1**. Apply a small amount of force to gently lock the hooks onto the base **2**.

2. While holding fabric down at rear of seat base, slowly swing the backrest upwards, whereby locking the backrest into place **3**. The hook-and-loop portion of the fabric at rear of seat should be **UNDER** the backrest **4**.

3. Secure fabric **5**.

4. To remove backrest, repeat previous steps in reverse order.

## PREPARING BOOSTER SEAT FOR USE

### **WARNING!**

**INCORRECT USE OF THE VEHICLE'S 3-POINT LAP-AND-SHOULDER SEAT BELT SYSTEM IS THE MOST COMMON MISTAKE PEOPLE MAKE. IT IS VERY IMPORTANT TO READ, UNDERSTAND AND FOLLOW ALL INSTRUCTIONS AND WARNINGS. DO NOT MISTAKE COMFORT FOR SAFETY. THE VEHICLE'S 3-POINT LAP-AND-SHOULDER SEAT BELT MUST BE SNUGLY ADJUSTED AT ALL TIMES.**

**! ENSURE** the vehicle shoulder belt's position is correct for your child's size. **VERIFY OFTEN.**

**! WARNING: DO NOT** use this booster seat if the midpoint of your child's head is above the top of the booster seat headrest.

### HEADREST HEIGHT ADJUSTMENT

Your booster seat has seven (7) height adjustments. Adjust the headrest to properly position the vehicle seat belt as the child grows.

Adjust headrest height so that the shoulder belt is **EVEN** with or **JUST ABOVE** the top of the child's shoulders **1**.

1. When adjusting the headrest height, have your child lean forward.
2. Grasp the headrest adjustment handle and pull upwards (push downwards) until desired height is achieved.

**TIP:** If it is too difficult to pull headrest upwards, use both hands to push headrest up from the bottom of the headrest.

## SECURING CHILD AND BOOSTER SEAT IN VEHICLE

# **WARNING!**

**FAILURE TO PROPERLY SECURE YOUR CHILD IN THE BOOSTER SEAT INCREASES THE RISK OF SERIOUS INJURY OR DEATH IN THE EVENT OF A SHARP TURN, SUDDEN STOP OR CRASH.** In a crash, the booster seat provides **NO** protection for your child unless the vehicle 3-point lap-and-shoulder belt is properly secured. Follow these instructions carefully to properly secure your child.

**! DO NOT** use this booster seat if it can't be properly leveled, stabilised, and installed as per this instruction manual. It is possible that your vehicle has no suitable seating position for this booster seat due to seating surface, seat belt type and/or airbag system. Read and follow these instructions, and your vehicle owner's manual carefully.

**! WARNING:** You **MUST** use the vehicle 3-point lap-and-shoulder belt system when restraining the child in the booster seat **1**.

**! WARNING:** Vehicle belts **MUST** be tight, adjusted to the child's body, and should not be twisted **1**.

**! NEVER** use a vehicle lap-only belt to secure child in booster seat **2**.

**! NEVER USE A LOOSE SHOULDER BELT.**

**! NEVER** position the shoulder belt under the child's arm **3** or place the shoulder belt behind the child's back **4**.

**! Lap portion of lap-and-shoulder belt MUST be low and snug across the hips, with the pelvis firmly engaged, just touching the child's thighs. The lap portion MUST NOT be lying across the child's stomach as this can cause major injuries to the child in case of a sharp turn, sudden stop or crash.**

**! DO NOT allow the child to slouch, slide down in the seat, or create slack in the belt system 5. If child will not keep vehicle belt properly positioned, DO NOT use this booster seat.**

**! DO NOT position vehicle belt over top of the armrests 6.**

**! The vehicle seat headrest should not create a gap between vehicle seat and booster seat 7. If so, remove the vehicle headrest.**

**! DO NOT use any load bearing contact points other than those described in the instructions and marked in the child restraint.**

**IF IN DOUBT ABOUT THESE POINTS OR ANY QUESTIONS RELATED TO INSTALLATION, PLEASE CONTACT HARMONY JUVENILE PRODUCTS.**

## **WARNING!**

**DUE TO VARYING ANGLES OF VEHICLE SEAT BELT RETRACTORS, EXCESS SLACK IN THE VEHICLE BELT SYSTEM MIGHT NOT BE REMOVED AUTOMATICALLY.**

Once the lap and shoulder portions of the seat belt are properly positioned and the buckle is attached, **FEED ANY REMAINING SLACK OF THE SEAT BELT MANUALLY BACK INTO THE RETRACTOR TO TIGHTEN THE WHOLE SYSTEM.**

1. Place booster seat firmly against the back of a forward-facing vehicle seat. The vehicle seat **MUST** be equipped with a 3-point lap-and-shoulder belt. Booster must be level, stable and not rock side-to-side (see “Vehicle seating positions”).

2. Place child in the booster seat with child's back flat against the back of the booster seat.

3. Adjust headrest height so that the bottom of the headrest is **EVEN** with the top of the child's shoulders ①. See section “Headrest height adjustment”.

4. Thread shoulder belt portion of the 3-point lap-and-shoulder belt system through the shoulder belt guide ② and ensure that shoulder belt lies across child's shoulder and chest, and **NOT** across child's face or neck.
5. Thread both sides of the lap belt under **BOTH** armrests. Thread the lower end of the shoulder belt under the armrest on the buckle side ③. **ENSURE** that the belt is snug across the child's hips. It is important to ensure that any lap strap is worn

low down, so that the pelvis is firmly engaged, just touching their thighs and is **NOT** across their stomach.

6. Buckle the vehicle seat belt into place and ensure it is secure by gently pulling on it.

**! BOTH SIDES OF THE LAP BELT MUST PASS UNDER BOTH ARMRESTS, AND THE LOWER END OF THE SHOULDER BELT MUST PASS UNDER THE ARMREST ON THE BUCKLE SIDE.**

**!** Any straps holding the restraint to the vehicle should be tight, any straps restraining the child should be adjusted to the child's body, and the straps should not be twisted.

**!** Teach your child that seat belts are not toys and should **NEVER** be played with, regardless of whether the car is in motion or not.

**!** **ALWAYS** be aware of what your children are doing in the back seat.

## AIRCRAFT INSTALLATION

This booster seat is **NOT CERTIFIED** for aircraft use. Aircraft seats are not equipped with 3-point lap-and-shoulder belts which are required for use with this booster seat.

## INSTRUCTION MANUAL STORAGE

We recommend that you store your instruction manual in the pocket provided on the side of the booster seat.

## REMOVING/INSTALLING FABRIC SEAT COVER

### TO REMOVE:

**Headrest:** Unhook the left and right ELASTIC loops from each shoulder belt guide ①.

### Backrest:

- Detach both the top and bottom hook-and-loop tabs located behind seat ② ③.

**Base:** Detach hook-and-loop tab from back of seat ④.

### TO INSTALL:

To reinstall fabric covers, repeat previous steps in reverse order.

## CARE AND MAINTENANCE

### CLEANING YOUR SEAT COVER:

- **MACHINE WASH SEPARATELY** using cold water - delicate cycle.
- **DO NOT BLEACH.**
- **DRIP DRY** to prevent cover from shrinking.

### CLEANING THE PLASTIC SHELL:

- **SPONGE CLEAN** using warm water and mild soap.
- **TOWEL DRY.**
- **DO NOT** use solvents, abrasive cleaners or disassemble booster in any way, except as instructed.

## WARRANTY

This booster seat was manufactured by Harmony® Juvenile Products (HJP). HJP warrants this product to the original retail purchaser as follows:

### LIMITED 2-YEAR WARRANTY

The following warranty conditions only apply to the country in which this product was first sold through retail channels to a consumer.

This booster seat is warranted against defective materials and workmanship for 2 years from the date of original purchase. *An original receipt is required to validate your warranty.* HJP will, at its option, provide replacement parts for this product or replace this product. HJP reserves the right to discontinue or change fabrics, parts, models or products, or to make substitutions.

To make a claim under this warranty, you must contact HJP Customer Service at **[www.harmonyjuvenile.com](http://www.harmonyjuvenile.com)**, or write to 10 Beach Priory Gdns., Southport, UK, PR8 1RT.

Proof of purchase is required and shipping charges are the responsibility of the consumer.

### **WARRANTY LIMITATIONS**

This warranty does not include:

1. Damages which arise from negligence, misuse, or use not in accordance with this instruction manual.
2. Damage and wear arising from excessive stress.
3. Replacement of fabric as a result of natural wear or fading of the fabric as a result of exposure to the sun or UV radiation.

The use of non-Harmony branded covers, inserts, toys, accessories or tightening devices is not approved by HJP. Their use could cause this booster seat to fail federal safety standards or perform worse in a crash. Their use automatically voids the HJP warranty.

### **LIMITATIONS OF DAMAGES**

The warranty and remedies as set forth above are exclusive and in lieu of all others, oral or written, expressed or implied. In no event will HJP or the retailer selling this product be liable to you for any damages, including incidental or consequential damages, or loss of use arising out of the use or inability to use this product.

**PLEASE REGISTER THIS BOOSTER SEAT WITHIN 30 DAYS OF PURCHASE TO EXPEDITE WARRANTY CLAIMS AND TO VERIFY ORIGINAL DATE OF PURCHASE.**
